SER METRO-DETROIT JOBS FOR PROGRESS, INC.

Inspiring opportunity
A CAMPAIGN FOR THE SAMARITAN CENTER

Samaritan Center: Key Facts

- Spanning more than 29 acres in Southeast Detroit, the Samaritan Center has served the community since 1983
- Approximately 100,000 residents visit the campus each year to access a wide range of programs and services
- Home to more than 80 nonprofit organizations, government agencies, and small businesses, creating a unique, integrated service hub
- Provides services that support individuals and families from infancy through retirement
- Hosts multiple community resource fairs and engagement events annually, connecting residents to critical supports
- Employs more than 500 individuals on-site, making it one of the largest employment hubs in Southeast Detroit
- Offers flexible community space, with rooms and facilities available at no or reduced cost to support local organizations and initiatives

The Samaritan Center serves as a vital hub of support for Detroit residents, delivering coordinated services that reach individuals and families at every stage of life. Following is a **brief** list of programs and services provided at Samaritan Center at no cost to the community:

- **5,000 meals provided daily** to students across **40 Detroit Public Schools** through Edibles Rex Catering, supporting food access and student well-being
- **1,900 + families served monthly through WIC**, providing critical nutrition and health supports for women, infants, and children
- **125 families supported daily through Matrix Head Start**, delivering early childhood education and comprehensive family services
- **2,000 + families served annually through food distribution programs**, in partnership with Forgotten Harvest, helping address food insecurity across the community
- **125 senior citizens served daily through assisted living center,** delivering 24/7 skilled nursing care, food and nutrition, and senior living

- **125 at-risk students provided high school completion/GED** education through SER's charter school under DPSCD

- **50+ children with autism** provided one-on-one support services through Affable Home Healthcare Network

- **5,000 + participants provided professional clothing and prom dresses** and pre-employment skills training through Jackets for Jobs

- **1,100 + patients provided health care services for the uninsured** through Trinty Health Care
